Mexico's Finest Restaurants

Redefining the concept of resort dining, we offer very exclusive dining experiences with our signature restaurants and innovative cuisine.

Blanca Blue

The oceanfront award-winning venue in Puerto Vallarta is a contemporary gourmet restaurant dedicated to the ever-evolving culinary arts and latest trends in gastronomy where experimentation, cutting-edge techniques and avant-garde cuisine come second only to high quality local products and mouthwatering flavors for one-of-a-kind sensual dining.

Bocados Steak House

The concept behind Bocados Steak House is one dedicated to providing exquisite choices, high quality and dreamy satisfaction. Dishes can be shared for a more casual experience, combined with fresh salads and vegetable dishes or you may opt for a full course meal, pairing your dining with fine wine, craft beer or refreshing cocktails.

Aquazul

Aquazul plays with the typical poolside snacks like burgers, salads, guacamole and ceviche giving them a sophisticated twist that reminds you where you are - paradise. With such an extensive and versatile menu, lunch and snack time become a delightful pleasure for you and your whole family. With service in all our pools.

More Gourmet Flavors

As a guest staying at Garza Blanca Preserve, you also have access to dine at the following restaurants at its sister resort, Hotel Mousai:

DAO

DAO is a new gourmet Chinese cuisine concept. This elevated restaurant and lounge offers gorgeous views of the surrounding tropical rainforest with Mondrian style glass walls. Each dish shows the culinary excitement of discovery, blending traditional components with modern twists.

**An adults only restaurant, located at Hotel Mousai's South Tower.*

NOI

NOI is an Italian restaurant located adjacent to Hotel Mousai's Lobby where flavorful cuisine and modern art hold hands because... food is art. While traditional Italian restaurants conjure images of brick walls and dimly lit spaces illuminated by red and white checkered tablecloths, NOI emerges on the scene with a completely new concept.

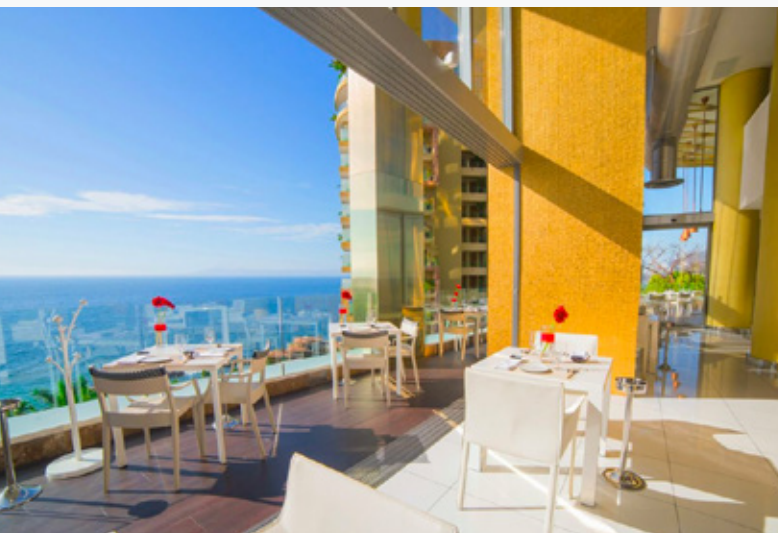

**An adults only restaurant, located at Hotel Mousai's South Tower.*

Hiroshi

Its minimalist concept is playful yet sensual, colorful yet elegant, flavorsome yet subtle, tempting you to experiment way beyond your appetite. Prepared with delicacy, precision and originality, the Hiroshi menu represents Japanese cuisine eclecticism offering sashimi, sushi, rolls, soups, tempura, yakitori, lobster, shrimp, chicken, steak and vegetables in a medley of succulent choice.

**An adults only restaurant, located at Hotel Mousai's North Tower.*

Weddings

Providing the most spectacular tropical setting for luxury destination weddings and lavish cocktail receptions in Mexico.

Why not escape to paradise for your wedding, indulge in a family vacation, or simply relax with your favorite people at the beach in Puerto Vallarta, Mexico. When looking for Puerto Vallarta all-inclusive resorts and luxury hotels in Mexico, you have arrived to the right place.

TierraLuna, is a magical town located in the heart of Garza Blanca, it is a place surrounded by mountains and protected by a green tropical jungle, where everyone can gather for social activities, yoga, food and art.

TierraLuna offers a perfect space for the wedding of your dreams. Celebrate life, love and togetherness in the TierraLuna Forum, a cozy atmosphere where you will create unforgettable moments.

TierraLuna Village

The magic of TierraLuna Village is born in the heart of Garza Blanca Preserve, amidst the lush jungle and vast ocean. Tierra, meaning “earth”, and Luna, “moon”, it is the land where the earth and the moon come together, and the moon controls the tides, making earthly dreams come true.

This fantastic outdoor space, ideally situated on the mountainside, is a place that belongs to its own roots, giving life to a communal play space where gatherings happen and people connect with each other.

This magical little village is the only little community like it in the world with its prestigious location and innovative design. Come to discover TierraLuna’s nine specialty boutiques featuring sustainable fashion garments, local designer jewelry, homemade body care, artisan crafts, ceramics, gifts, and deli and coffee shop. TierraLuna also features a weekly farmers market and art walk as well as a whimsical family carousel.

Karuma Gourmet Grill

Karuma is a brand new steakhouse and grill at Tierra Luna Village. The word Karuma is a combination of two words from the indigenous Mexican and Central American language of náhuatl, meaning “fire in the night.”

This concept is present in the innovative menu as well as the playful creative design and atmosphere of the restaurant.

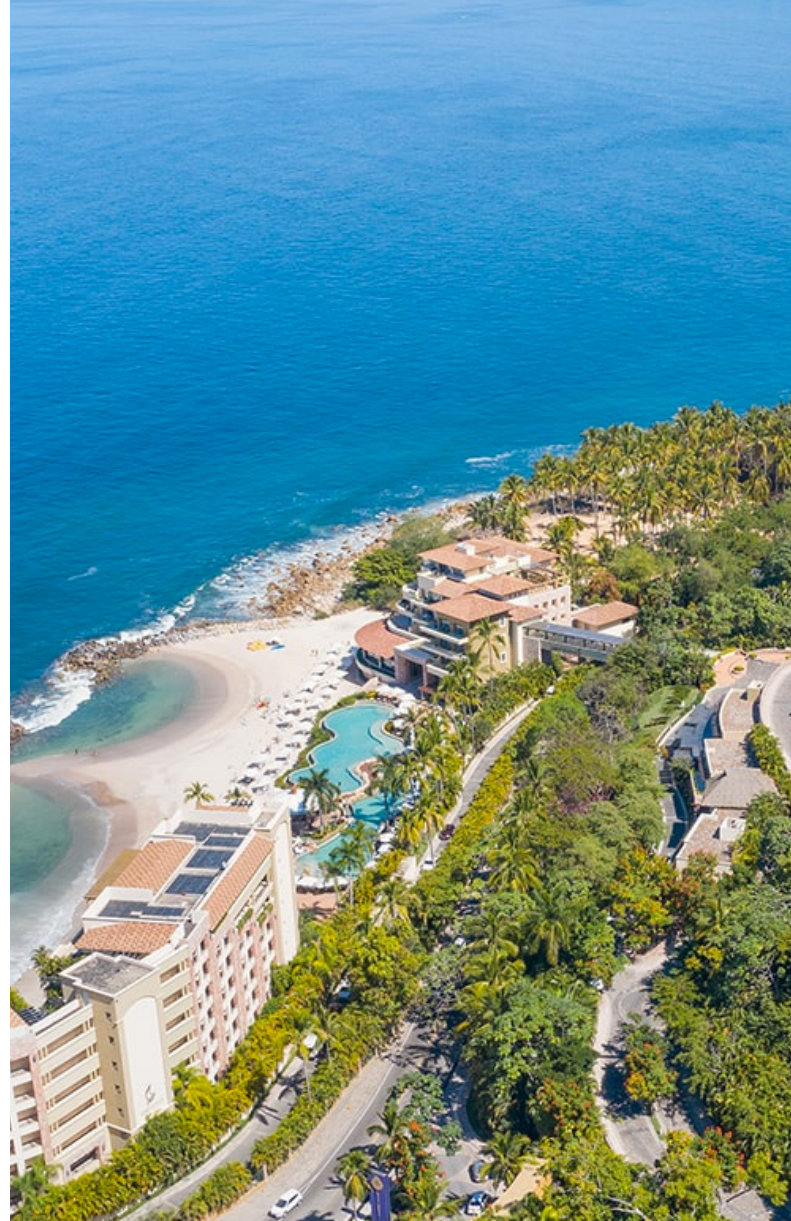

Visit Karuma and be inspired by our sophisticated take on classic steakhouse and grill favorites with an international flare. Hand crafted specialty cocktails made by our highly trained mixologists, and a spectacular ocean view round out the experience.
