## DISCOVER WHAT'S NEW AT THIS WELLNESS-INSPIRED SPA

### HydraFacial

Works on All Skin Types and  
Provides Consistent and Immediate Results.

The HydraFacial is a trendy non-invasive treatment using special patented technology and nourishing ingredients to improve skin texture and tone.

We offer HydraFacial treatments for either 50 or 80 minutes and in both treatments a "Lamina Lift Mask" is applied, which is a hydrating seaweed mask rich in antioxidants that help to reduce inflammation and leave your skin feeling refreshed.

### Binary Premium by RÖS'S

Purifying Massage Ritual Harmonizing  
The Fifth Chakra - 90 Min

Enjoy a relaxing massage with our advanced technology that combines diathermy with restorative massage techniques to rebalance cell pulse, recover damaged tissues progressively, and regenerate with non-invasive energy.

#### DORADO ILLUMINATING FACIAL - 90 MIN

This very complete beauty experience is an advanced remodeling and firming treatment that, thanks to the combination of three types of collagen and our advanced Binary technology, redraws facial contours, improves the density and firmness of the skin, and deeply hydrates. Thanks to its incredible instant lifting effect, it sculpts the contours of the face and reveals much smoother skin.

#### SLIMMING FIRMING BODY TREATMENT - 90 MIN

The Binary Premium technology designed by RÖS'S uses electro-lipolysis, a gentle non-surgical method which triggers a triglyceride degradation process. The application of controlled electrical microcurrents through electro-stimulation bands activates the circulatory system to facilitate the removal of fat and its drainage. The Binary technology also has an electro-firming function, which stimulates sequential muscle contractions and helps with the recovery of muscle tone, so results are visible from the first application.
